CP HR

Air Compressor with Hose Reel - 1 kW / 1.5 hp

The compressor that is always at hand yet out of the way?

CP's new hose reel unit is a convenient addition to your workshop. You get a compact compressor and a 33 feet hose in a sturdy casing that is mounted directly on your wall to save space. Just press the start button to inflate, staple and paint away. With 116 PSI (max) pressure, you have plenty of punch to get your projects done quickly and easily. The units are oil-free, which means zero risk of contaminated air, zero chance of oil spills and less maintenance. If you are looking for a true no-hassle compressor, CP's hose reel is your ideal solution.
